

This manuscript is in two columns written in a cursive hand, pg.130, and contains the text of the Menologion of Simon the Logothete or Metaphraste for Nov.10 (end) to Nov.15 giving the following items :

10. Nov. Theoctiste of Lesbos vita the bulk of this is lacking with the title, the Ms. beginning on the last leaf of this life.

11 Nov. μαρτύριον τοῦ ἁγίου καὶ ἐνδόξου μεγαλομάρτυρος τοῦ Χριστοῦ μηνᾶ τοῦ αἰγυπτίου τοῦ ἐν νοτυαεῖῳ μαρτυρήσαντος.

12 Nov. βίος καὶ πολιτεία τοῦ ὁσίου πατρὸς ἡμῶν Ἰωάννου ἀρχιεπισκόπου ἀλεξανδρείας τοῦ ἐλεήμονος.

13 Nov. βίος καὶ πολιτεία τοῦ ἐν ὁσίοις πατρὸς ἡμῶν Ἰωάννου ἀρχιεπισκόπου γενομένου κωνσταντινίου πόλεως τοῦ χρυσοστόμου.

14 Nov. ὑπόμνημα εἰς τὸν ἅγιον ἀπόστολον φίλιππον.

15 Nov. μαρτύριον τῶν ἁγίων ὁμολογητῶν γουρία βαρωνᾶ καὶ Ἀβίβου
Θούμα τῶν ἁγίων ὁμολογητῶν γουρία βαρωνᾶ καὶ Ὀρίβου

The appearance of the Θούμα as a separate item for Nov.15 seems to be unusual. The manuscript cannot be identified with any in A.Ehrhard's lists. For further information on the Menologion see A.Ehrhard "Überlieferung und Bestand der Hagiographischen und Homiletischen Literatur der Griechischen Kirche, Texte und Untersuchungen LI 1938.

13th April, 1940.
